

Attention Local Businesses:

The HTX Gym is seeking your business to partner with us in an innovative sponsorship and advertising platform. The attached packet outlines the specifics of what we have to offer for advertising space and community outreach. We have a unique avenue for your organizations to place its brand in the HTX Gym and close surrounding cities.

The HTX Gym recreation facility is multi-sport complex built for youth and adult sports, programs and community events.

The HTX GYM is an 18,000 square foot facility with 2 regulation size high school wood-floor basketball courts or 4 volleyball courts (10,000 additional square feet coming fall 2017).

Average number of visitors/members per day: 100-125

Estimated number of visitors/members per year: 35,600 - 45,000

Estimated number of programs, (camps, tournaments, leagues) run yearly: 40

Estimated Number of Events run each year: 50

HTX Gym youth programs serviced 3,500 participants last year in various sporting activities including: birthday parties, dances, basketball, volleyball, futsal and dodgeball. It is our hope to establish a partnership with your business that will suit your marketing and community outreach goals as well as help subsidize our non-profit programs and event offerings.

Please look over the attached information and let me know if you have any questions. I will be in touch to follow up on how we can customize a package that will create a working relationship with your business and the HTX Gym.

Thank you for your time.

Respectfully,

HTX GYM
